

## CARE AND maintenance

Sta-Glo  
Stainless steel polish and  
cleaner

Formulated and made in  
Australia

**Use Sta-Glo for cleaning and polishing stainless steel rangehoods and kitchen appliances.**

Sta-Glo is suitable for all kitchen surfaces, including stainless steel, copper, brass and laminated bench tops.

Apply Sta-Glo by holding bottle approximately 200mm from the surface. Spray liberally and allow to dry for a minute or two. Using a soft, dry cloth, rub with the grain. Avoid using a circular motion.

Sta-Glo is available from your QASAIR dealer or Condari direct.
